Applications open on 22nd November 2021 for RCOphth Refraction Certificate and Part 2 FRCOphth Oral examinations in Trinidad to be held in March 2022.

The Royal College of Ophthalmologists is pleased to announce that their prestigious Refraction Certificate and Part 2 FRCOphth Oral examinations will be held in Trinidad and Tobago for the first time in March 2022.

Applications for these exams open on 22nd November 2021 and will close on 3rd January 2022. Candidates from the Caribbean and other countries are encouraged to use this opportunity to sit the exam.

The Refraction Certificate examination will take place on **Monday 14th and Tuesday 15th March 2022** and the Part 2 FRCOphth Oral examination will take place on **Thursday 17th and Friday 18th March 2022**.

Candidates do not need to have passed any other components of the FRCOphth to be able to sit the Refraction Certificate but for the Part 2 FRCOphth Oral examination, candidates must have passed the Part 1 FRCOphth, Refraction Certificate and the Part 2 FRCOphth Written.

Applications can be made for either exam by visiting these RCOphth website pages:

<https://www.rcophth.ac.uk/examinations/refraction-certificate/>

<https://www.rcophth.ac.uk/examinations/part-2-fellowship-oral-component/>

The RCOphth is very pleased to be working with the Ophthalmological Society of Trinidad and Tobago, Caribbean Vitreous & Retina Surgery Ltd, and Trinidad Eye Hospital to deliver these examinations in Trinidad and Tobago for the first time.

Both exams will be held at the Hyatt hotel, Port of Spain, Trinidad.

For further information, please contact Dylan Costello, Head of Examinations for the RCOphth at Dylan.costello@rcophth.ac.uk
